LOCAL SCHOOL COSTS AMONG OHIO'S LOWEST

City Spends \$68 a Year on Each Pupil; State Average Near \$100.

3-MILL LEVY PROVIDES \$24

Bowman Points to Results If This Income Is Taken Away.

Editor's Note—Because it is absolutely essential for the good of the community and the future of its young people that Marion's public school system be maintained unimpaired, The Star is wholeheartedly in favor of the three-mill tax levy for school operations which is to come before the voters in November. This levy has been in effect over a period of years and as a consequence its continuance will not increase the total city tax rate. For the purpose of explaining the great importance of voters supporting the levy proposal, a series of articles dealing with the schools' requirements will appear in these columns. One of the series follows.

The cost of educating Marion school children is approximately \$68 a pupil every year as compared to the state average which is between \$90 and \$100, according to George A. Bowman, city school superintendent.

"With this cost already comparatively low, the necessity of continuing the three-mill school levy becomes all the more apparent," Bowman declared today in discussing the levy, whose renewal comes before voters on Nov. 4.

Marion Figure Low
"Of the 92 city school districts in Ohio, about 75 per cent invest annually more for each pupil in the operation of the public schools than does the city of Marion," Bowman said.

"In other words, if the 92 city districts were ranked from highest to lowest on the basis of the per pupil investment in public education, our city would rank in the last quarter of the group.

"The three-mill levy now up for renewal has provided for the last 10 years about \$24 per pupil. The present standard of our schools could not be maintained if anything like \$24 per child were taken away from the \$61 now provided by taxation," according to Bowman.

There are no other sources of income open to the board of education.

LIMA FIRE DISRUPTS TELEPHONE SERVICE

Blaze Does \$30,000 Damage; 13,000 Phones Out of Commission.

By The Associated Press
LIMA, O., Oct. 23.—Fire of undetermined origin in the coal room of the Lima Telephone & Telegraph Co. at midnight last night threw 13,000 telephones out of service and caused damage of \$30,000.

The fire started in the heart of the telephone control room and isolated the city as far as telephone service was concerned. Firemen were forced to fight the flames from the outside due to heavy fumes created by the burning coils. Officials took immediate steps to provide for delivery of long distance telephone messages through messenger service. They said the telephone service would be in operation by tonight.

MARION GUARDSMEN SUSPECTED IN THEFT

Men Purchased Cloth from Penitentiary Convicts, Warden Charges.

Charges of larceny probably will be filed against two members of the Marion unit of the Ohio National Guard who are alleged to have purchased cloth from inmates of the Ohio penitentiary while the troops were on duty at the prison after the Easter Monday fire, Warden Frederick E. Thomas said today, according to an Associated Press dispatch.

Purchase of the cloth made at the prison woolen mills was revealed after one of the guardsmen was arrested here last week.

Chief of Police Ira Shrock informed the warden that the guardsman, whose name was not disclosed, admitted buying the cloth for \$2. He also implicated a sergeant in the Marion unit of the guard, the warden said.

The warden said he would ask Marion authorities to hold the men pending filing of charges.

MONTH-OLD MARION YOUNGSTER HAS GRANDMOTHER 32, MOTHER IS 14

Carroll LeRoy Simpkins Tips Scales at 10 1/2 Pounds at 30 Days.

WHEN Carroll LeRoy Simpkins, a month-old son of Mr. and Mrs. Albert Simpkins of 832 Silver street, first came to school for the first time his mother, Edna Everly Simpkins, will have attained the age of 20 years. His grandmother, Mrs. Agnes Everly, also of Silver street, will be 32 years of age and his great-grandmother, Mrs. Clara Parker of Bullentine avenue, will be 59 years of age. The youngster's daddy will be 50 years of age and his uncles, William, who is now 12 years of age, LeRoy 11 and Clyde 8, may easily be finishing their high school courses.

JUST at present Carroll LeRoy isn't the least bit interested in what the school curriculum holds for him and even refuses to get the least bit excited when interviewed or asked to pose for a picture. He does enter a lusty protest when he thinks he is being overlooked at meal time and when awake keeps an interested eye on his juvenile uncles who see to it that he doesn't lack for entertainment.

The baby was a month old yesterday and weighed 10 1/2 pounds, just two pounds more than when he was born. He has been enrolled in the Cradle Roll department of Calvary Evangelical church.

MRS. EVERLY, who is probably the youngest grandmother in the city or state was married at the age of 17 years and was a mother at the age of 18. Edna, who is her only daughter, has two brothers and one half-brother living. Mrs. Everly's mother, Mrs. Parker, was married at the age of 20 and her first child was born when she was 21 years of age. Mrs. Everly is the mother of six children and her mother is

the mother of seven children. The baby also has a paternal grandmother, Mrs. Maggie Simpkins of West Virginia, who is 85 years of age.

4 DIE AS FIRE M'CULLOCH TO SPEAK IN MARION FRIDAY

U. S. Senator To Address Republicans in Steam Shovel Auditorium.

U. S. Senator Roscoe C. McCulloch of Canton will be guest of Marion city and county Republicans Friday when he is scheduled to address two meetings as the high spots on the week's political program in Marion county.

At noon he will speak before a public meeting in the Marion Steam Shovel auditorium in company with other candidates, while at 1 p. m. he will be guest of honor of county Republican women at a luncheon in the Marion hotel.

Talks will follow the Democratic Women's luncheon at 1 p. m. and all women who will not be able to attend the luncheon have been urged to be present for the speeches scheduled to begin about 2 p. m.

Mouser To Speak
Congressman Grant E. Mouser, Jr., Robert L. Rohn and Dallas Sullivan, candidates for state senator, as well as all county Republican candidates, are on the program at the Steam Shovel. The Republican Women's Glee club will sing. R. E. Pfeifferman, chairman of the county executive committee, will preside.

Democratic candidates for county offices will be presented tonight at a meeting in Marion which originally was scheduled for Caledonia Carl W. Smith of Kenton, candidate for congress, and Russell M. Wilhelm, candidate for prosecuting attorney, will be the speakers. Dr. C. J. Altmaier, county executive chairman, will be in charge.

Following tonight's Democratic rally at Marion, Republicans in that district will hold a rally Friday night with D. C. Rybolt, state purchasing agent and former Akron mayor, as the speaker. Congressman Mouser is booked to talk also.

Women Plan Luncheon
While Republican women are feeling Senator McCulloch at the Marion hotel, Democratic women from the eighth district will hold a luncheon in the Harding Hotel Friday at 1 p. m. with Mrs. Bernice Pyke, state committee woman, as the principal guest of honor. Mrs. Mary White daughter of George White, Democratic gubernatorial candidate also will speak.

Thirty Hardin county Democratic women and a delegation of 15 from Hancock county have made

TWO BOYS VICTIMS OF BRUTAL SLAYING

Battered and Burned Bodies Found on Fire by Tennessees Woodchoppers.

By The Associated Press
MEMPHIS, Tenn., Oct. 23.—The battered and burned bodies of two North Carolina high school students lay today in a morgue, apparently victims of assailants who beat them severely and placed them on a pyre formed by embers of an Arkansas swamp campfire.

Both died last night without regaining consciousness. Their skulls had been crushed.

The boys were identified by notes and a diary found in their pockets as Burton Hensley and Woodrow S. Wilson of Bald Creek, a town in the mountains of North Carolina. Advice from Bald Creek said they left their homes eight days ago presumably on a hitchhiking trip to the west.

Discovery of the two youths, their bodies seared by the flames of the still-burning campfire, was made by two wood choppers late yesterday.

Advices today said police were without a definite theory as to the motive which prompted the slaying.

ELECTION IS PREDICTED

Women's Vote To Decide, Is Widespread Belief; Say Bulkley Losing Ground.

BY JOSEPH K. VOORHIS
Staff Correspondent for The Star

WASHINGTON, Oct. 23.—A downward trend in the 16th congressional district, Ohio, toward the Republican party, and more definite as the election approaches, is apparent in the 16th congressional district, Ohio, where McCulloch is expected to win three times to Washington as U. S. representative.

Two weeks ago, when the staunch Republicans, when queried on McCulloch's chances in the election, openly expressed pessimism and one would ask a long way before finding anyone who would give Ohio's junior senator as much as an even break for election.

Within the last week and particularly since Monday, there has been a swing over to McCulloch sentiment that is a little short of miraculous.

The comment commonly heard last week was "If McCulloch is to be elected it will have to be done by the women." Today Republican workers in Stark, Wayne, Tuscarawas and Holmes counties are saying instead "The women vote will elect McCulloch."

This difference in attitude shows an increasing confidence that party leaders maintain will carry the McCulloch movement on to victory at the polls Nov. 4.

Bulkley "Shoots Wad"
One of the most noticeable impressions in the undercurrent of political opinion in this district is that Bulkley has more or less shot his wad and with the election a week and a half away his ammunition pouch is empty. Elmer Landis, Wooster banker, Wayne county political leader and the head of the Ohio McCulloch committee, yesterday commented that "the McCulloch campaign will go on gathering momentum every day until it reaches its peak on Nov. 4, while the Bulkley drive gradually dwindles away from the high point it reached last week."

Certainly, one of the most encouraging signs of McCulloch's increase in strength comes to light today when two of the foremost county's strongest papers, The New Philadelphia Daily Times and the Philadelphia Evening Chronicle appear with editorials endorsing him for the senate.

Action Held Important
Tuscarawas county, bulkley leaders regard this action as having vast importance in the next minutes drive to give McCulloch a good lead in their county. The sign

ANTI-TUBERCULOSIS LEAGUE IS FORMED

Dr. F. E. Mahla Named President; Sanitarium, Special Nurse, Goal.

A Marion County Anti-Tuberculosis league has been organized in Marion with the ultimate purpose of employing a tuberculosis nurse for the city and county and to raise funds for a five-county sanitarium.

The league was organized Tuesday night, with Dr. F. E. Mahla as president and Dr. N. H. Haffert as secretary. The Marion Academy of Medicine is sponsoring the service which is promoted by the Ohio State Public Health association.

With a central body taking an active interest in the cause of tuberculosis cases here, the league will be in charge of the Christmas Health seals this year. The league's share of the sale of seals will go into its fund for providing a nurse here to take care of tubercular cases only.

Membership in the league is open to any one desiring to further the cause upon which it has been based. Later, the league hopes to have as its members, the various civic and charitable organizations of the city. The next meeting will be early in November.

CONTRIBUTION BETTING IS RAISED ILLEGAL IN OHIO

By The Associated Press
COLUMBUS, O., Oct. 23.—The contribution system of race track betting is illegal under a decision by the Ohio supreme court.

The opinion resulted from a test case from Summit county where Edward Ingria was convicted of selling tickets in a game of chance in connection with the operation of a dog race track. By overruling Ingria's motion for a review, the supreme court in effect affirmed the conviction.

"Modern Antiques" Sell Readily, Police Report

By The Associated Press
BOSTON, Mass., Oct. 23.—The Boston police report that the sale of modern antiques is a racket being run by a group of men, including F. E. Cato, a senator of New York, who are the subjects of a nationwide police search. Cook and Mrs. Sanborn are said to have escaped Monday from the Holbeck home of Mrs. Clementine Burke. Burke at the time Mrs. Moran was arrested and charged with having sold china, which she represented to be of antique origin, to a Boston art connoisseur for \$1,500. Police charged that the ware was of modern manufacture and had been artificially aged.

With the arrest of Mrs. Burke, police disclosed the existence of the ring through which they believe so many have been duped out of millions of dollars.

VIEW BUSINESS WITH OPTIMISM

Captains of Industry Predict Steady Uptrend for Future.

TARIFF WARS BLAMED

By The Associated Press
CHICAGO, Oct. 23.—A picture of optimism for the economic future was laid before the American people today by the conference here of leaders of major industries in the United States.

While there will be no spectacular recovery of business, in the opinion of speakers, the "turning point" has been reached and this in itself was described as a step toward a more solid future.

The conference was attended by more than 40 of the nation's chief industrialists, business men, educators and others.

I. J. Tabor, master of the national grange, said "Agriculture is at the turn of the road. Despite drought and the decline in prices, the farmer has learned to look less to government and congress and more to himself."

Organization of agriculture, establishment of a farmer owned and controlled merchandising system, and equality of taxation, were advocated by Tabor as means of restoring the farmers' purchasing power.

Says Problems Solved
Opinions that American industry has solved the technical problems of production, and that American standards and wages have come to stay, were expressed by other speakers.

CONFESSES SLAYING OF STEP-DAUGHTER

Mrs. Pearl O'Loughlin Admits Causing Death of 10-Year-Old Girl.

By International News Service
DENVER, Colo., Oct. 23.—One of the most brutal murders in Denver's police history was solved today when police announced that Mrs. Pearl O'Loughlin had confessed to the slaying of her 10-year-old stepchild, Leona, and implicated her brother-in-law, Frank O'Loughlin.

"We both must have been crazy," police quoted Mrs. O'Loughlin as saying.

Mrs. O'Loughlin's statement came a few hours before she was to have been brought into court where an attempt was to have been made to release her on a writ of habeas corpus.

City Detective Leo O'Loughlin, recovering from the effects of eating food in which ground glass had been placed, faced his wife yesterday for the first time since the bruised body of his child was discovered in a City Park late Friday.

Putting aside the role of husband to assume that of inquisitor, O'Loughlin questioned the woman. Her reply to him at first was an affirmation of innocence.

An examination of the child's body, found two days after she had disappeared from home, showed a quantity of glass in the stomach. Captain O'Loughlin had obtained the admission from Mrs. O'Loughlin after grilling her for six and a half hours. The woman's nerve broke and she was carried to her cell on the verge of a complete breakdown.

The admission of Mrs. O'Loughlin concluded her sixth extended questioning by officers, one session having been at the bier of the dead child.

"She admitted responsibility," Captain Clark said. "Her first statement of admission was 'I take the blame; I'm the one that has to suffer'."

FIND ONE MAN ALIVE, FEAR 2 OTHERS DEAD

Rescuers in Southern Ohio Tunnel Talk to Railroader Pinned Under Boulder.

CAVE-IN COVERS 7 CARS

Section of Local Freight Caught in Collapse Far Underground.

By The Associated Press
STEVENSVILLE, O., Oct. 23.—One of three trainmen trapped in a cave-in of the Wheeling & Lake Erie railroad tunnel at Adena, 23 miles southwest of here today, was dead when removed from the shattered caboose, at noon today. He was identified as Jerry L. Sells, 40, a conductor of Dillonvale.

Communication with Al Romando, 35, of Dillonvale, another trainman who was established a short time before the rescue crews reached Sells' body, which had been crushed under stone and dirt. Romando said he was trapped between boulders and could not move.

The rescue crew said E. E. Duga, 35, of Dillonvale, a brakeman, probably was dead as the caboose had been broken into hundreds of small pieces by the weight of the tunnel roof. They said Romando would be reached after the removal of about 10 more feet of dirt.

Romando told the crews he was trapped but did not believe he was injured seriously.

Caugh 300 Feet Back
The caboose was caught with six cars of a local freight train about 300 feet from the east end of the tunnel which is about 800 feet in length and passes through a hill 200 feet high. The six cars were pulled from the tunnel by a locomotive, but the rescue crews were unable to reach the caboose from that end and attacked the west end where only a small amount of debris had fallen.

After four hours of digging they reached the demolished caboose and recovered the body of Sells.

Entrance was gained from the west end and workmen reached the caboose, officials said, but it had been crushed beneath the slide. Only the eastern portion was said to have fallen in.

Officials said they had some difficulty recently with a small slide within the tunnel but that this was the first major cave-in.

The train of 23 cars had been backed about 300 feet into the tunnel when the cave-in occurred. The tunnel was located on a branch line of the railroad about a mile and a half from Adena. The branch leads to the Clarkson Coal mine near Hartsville and was used daily by the local freight in connecting with the main line.

A rescue crew of 50 men was rushed to the scene and started excavating the six cars and caboose. Another crew attempted to enter the tunnel from the west end.

Dr. Mouser's Condition Continues To Improve

The condition of Dr. H. K. Mouser continues to improve at City hospital, according to a report issued today. Dr. Mouser was stricken with intestinal hemorrhages Monday night at the Marion club.

WOMAN FLAG POLE SITTER BOOKED HERE

Miss Betty Fox Will Perch on Top of Hotel Harding 84 Hours.

A four-day-and-night flag pole sitting stunt will get under way Saturday at Hotel Harding, if the flag pole arrives and negotiations are terminated.

Miss Betty Fox of the Betty Fox Co. will sit atop the flag pole for that length of time.

She arrived here this morning, and her afternoon schedule called for photographs with Mayor L. Don Jones and other city officials.

Miss Fox will have a telephone with her and in previous sittings, she is said to have had two calls a minute while she was perched on top of the pole.

Her specially built flag pole was expected to arrive here today from Pittsburgh where she appeared last at the Fort Pitt hotel. Flood lights will be directed on her at night, according to hotel officials.

Nebraska who contend that Sena-
for Norris is "unbeatable." In
ply to such contentions, the Dem-
cratic nominee, tall, gray and digni-
fied of men, has retorted that Nor-
is "is not a senator for Nebraska
but from Nebraska."

Woman in Race
The third senatorial candidate,
Mrs. Beatrice Fenton (Daugh of Lin-
coln), entered the race by petition.
She is a dry and has announced that
if elected she will support the ad-
ministration of President Hoover.

In some quarters the campaign is
viewed as a test of party regularity.
In the primary Norris was bitterly
opposed by staunch Republicans.
The primary was influenced by the
threatened candidacy of a second
George W. Norris. This contest, in
which Norris decisively defeated
the regular, W. M. Stebbins, drew
the senate campaign funds commit-
tee to investigate the filing of Nor-
is, No. 2, a small town grocer.

The investigation unearthed fric-
tion between the Norris group and
administration supporters.

In the present campaign Senator
Norris has not only defended the
many grants he has taken in oppo-
sition to the administration but he
also has served notice that he
would never accept the senatorial
assignment if he were restrained
from what he termed "conscien-
tious legislation."

He's a Party Man
Hitchcock has emphasized his
allegiance to party ties and has
declared that political parties are es-
sential to a successful government.
In the gubernatorial contest are
two men who were opponents for
this office at the election two years
ago, Gov. Arthur Weaver, Republi-
can, and Charles Bryan, Demo-
cratic nominee.

Bryan, the Democratic vice presi-
dential nominee in 1924, a former
governor of Nebraska, and brother
of the late William Jennings Bryan,
was defeated by Weaver in 1925.
Weaver, seeking his second term, is
campaigning with Senator Norris.
Nebraska also will elect six con-
gressmen and state officers. The
prohibition issue has appeared in
the campaign only in the second
congressional district. (Omaha)
where both the Republican and
Democratic candidates are opposed
to the present prohibition law.

Cod Liver Oil
in Quick Tablet Form

NEW YORK, N. Y.—All the precious
vitamins in cod liver oil have now been
put into tablet form, according to child
health authorities here.

A discovery of the McCoy Labora-
tories, this great forward step will
bring new health and vigor to every
child who could not take cod liver oil in
liquid form because of its nasty, fishy
taste. Now all this has been ended,
thanks to McCoy's tasteless tablets.

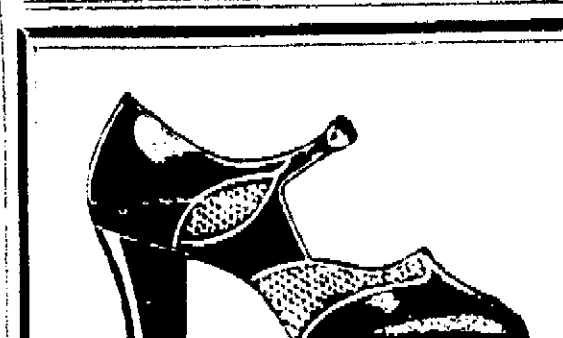

Every mother wants her child to
have good bones and teeth... good
appetite and normal weight. And now
all the magic properties of cod liver oil
have been put into McCoy's Cod Liver
Oil Extract Tablets. You can get them
at any drug store.

To see for yourself that these easy
pleasant tablets actually contain the
magic cod liver oil, buy a box and *bite*
the first tablet. Taste the oil. Your own
taste will tell you.

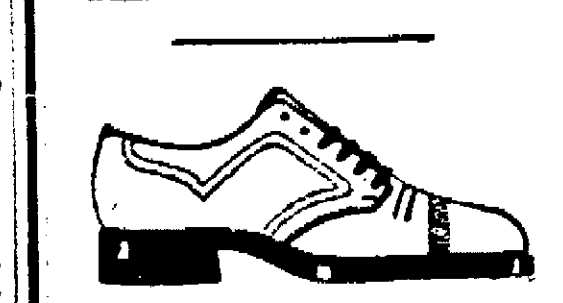

Add McCoy's to your diet now.
Build up yourself as well as child. Be
faithful and regular. To get the benefits
you must take them regularly, because
cod liver oil is a food, not a drug.

87,000 TO SEE BIG TEN BATTLE

SPORTS

BY BOB KIRKPATRICK
In Case You Didn't Know
HARDING has had its goal line crossed this season to the delight of fans of the game. It has scored a grand total of an even half dozen touchdowns against opponents.

Junior Clay stands a good chance of being knocked out of a post on the all-league grid team if he continues to play at fullback. He stood an excellent chance of being named all-league tackle but as a full-back it may be a different story. And that's not insinuating either that as a fullback he's a good tackle.

Harding has looked both Toledo Central and Findlay High schools for grid games next season. Chalk up two in the red.

The Harding Herald, weekly journalistic effort of the local institution of learning can't see Harding's football team as a page one story. Maybe they're right.

Mansfield sports writers (all two of them) are hailing the present Harding team as the championship squad that has proved a first class flop. Well I rather suspect that no one can answer that but the Harding's players and even they won't be able to until the annual Mansfield clash is history.

Coach Bohrer still maintains that Harding won't go through this season without winning a game. And so do I. Tra la, tra la!

A lot of Harding sports followers believe the Presidents would be better off if they played a couple of warm up games preceding the N. C. O. season. It's no particular pleasure to wallop some second rate but by the same token it's no pleasure to have some one of your class deliver an overwhelming defeat to start a campaign. Moral victories are all right but they don't show on the record books.

Dick McAninch, former Harding satellite now ripping up and down the sod for dear of Staunton, is said to have gulped down several glasses of ice water (2) immediately following a hard game this season. As a result he is reported to have become acquainted with the nurses in the Staunton hospital while recovering.

Harding's grid squad will lose only Smith, tackle, Wright, back, Bush, back, Newby, end, Houseworth, back, Reid, back, and Alspach, end, from the top notch list.

MICHIGAN, ILLINOIS CLASH TO ATTRACT BIGGEST ATTENDANCE

Purdue-Wisconsin Fray Follows Illini-Wolverine Game in Interest

BY WILLIAM MEERLES
Associated Press Sports Writer

CHICAGO, Oct. 23—Stirred by the status of a first class football power, Wolverine fans to the number of nearly 87,000 will watch Harry Kipke's eleven strive against Illinois Saturday at Ann Arbor. The attendance at the Purdue-Michigan clash two weeks ago was much lower than a Big Ten championship contest usually attracts at Ann Arbor. But the Wolverine defeated the 1929 champions, and ticket sales for the Illinois game speeded up. Last Saturday's victory over Ohio State was all that was required to virtually assure a capacity crowd in the huge stadium.

While the Wolverines have won their pair of conference games, Coach Kipke has been unable to present the same team on any occasion. Injuries have forced him to alter his battle front each week, and Saturday will provide no exception. Howard Auer, tackle, and Norm Daniels and Rod Cox, ends, are out with injuries.

The Illini lineup also will be revamped. The 32 to 0 smacking handed out by Northwestern last week caused Coach Zippke to call in the reserves. Captain Olaf Robinson will be at quarter, instead of fullback, and Pete Yanuskus and Gil Berry will be at the halves.

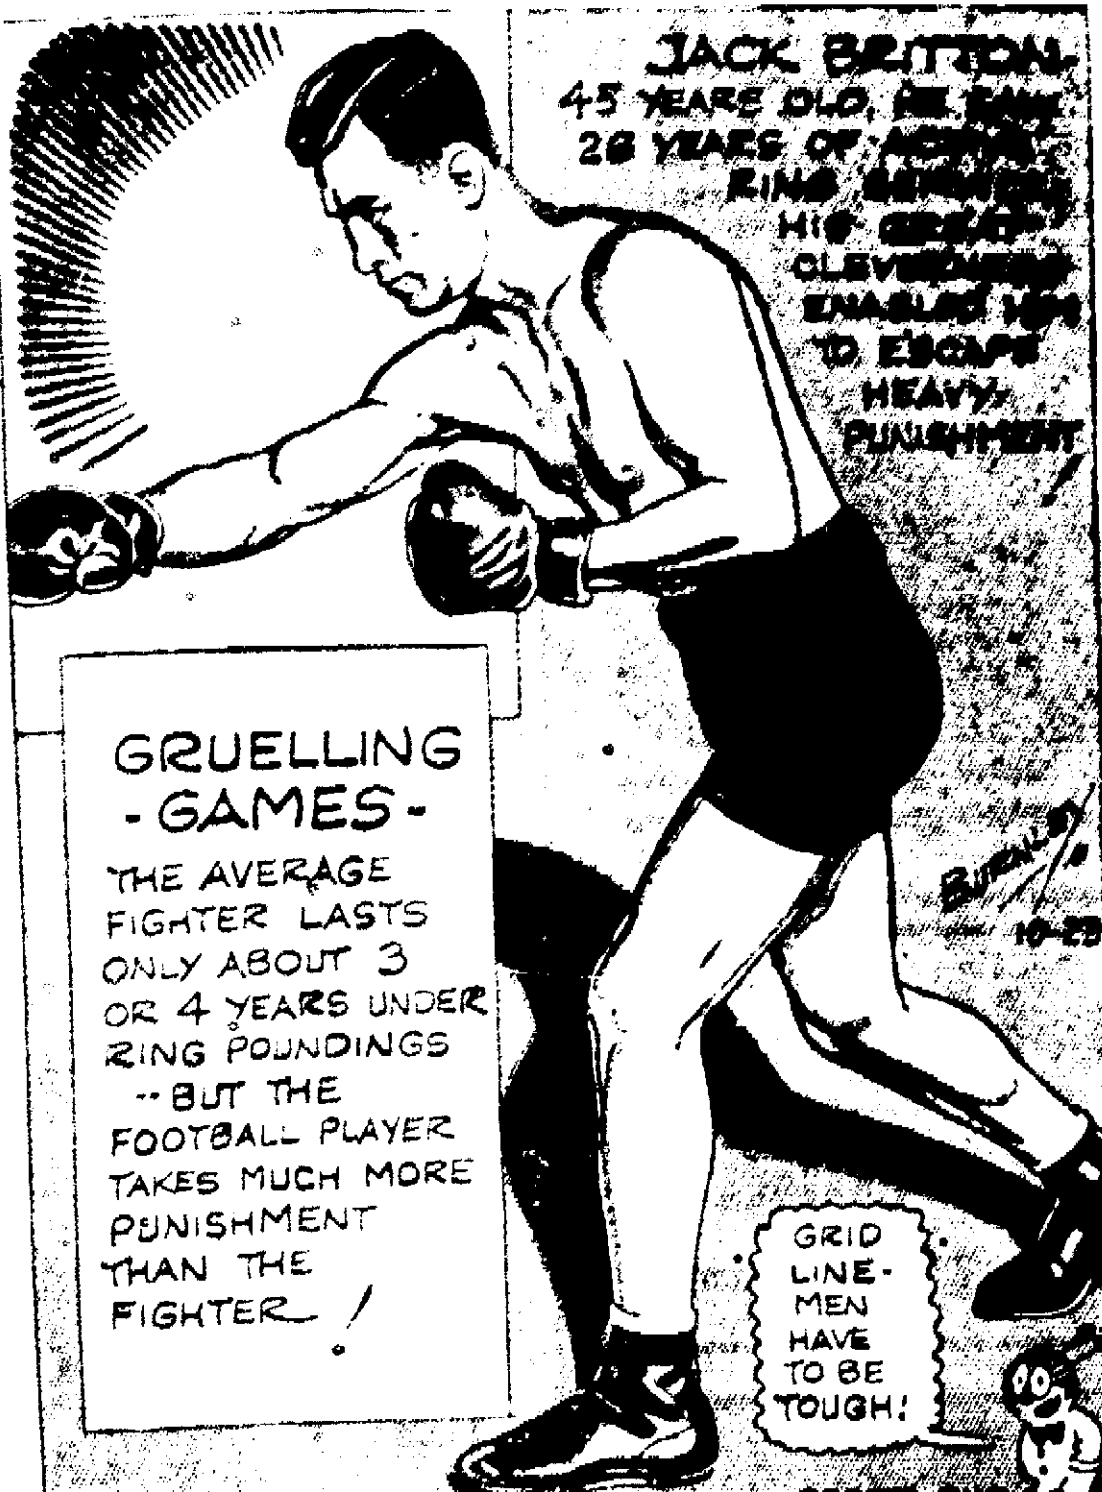

Purdue Meets Badgers
Purdue will reach a crisis Saturday against Wisconsin. The Badger-makers' defeat by Michigan does not mean they are out of the Big Ten race, but a defeat by the Badgers may be accepted as a death blow to Purdue's hope of retaining the title.

Both Northwestern and Chicago, with non-conference games this week, are looking ahead to more important tussles. Northwestern does not anticipate much trouble from Centre college and Coach Hanley is working for Minnesota. Chicago has Mississippi this week, but the Princeton engagement next week is absorbing the attention of Coach Slagg.

Indiana today headed toward Delaware.

Dick (Four-Sports) McAninch has chosen Ohio State for the next stop on his educational improvement program. (Don't quote me on that.) Perhaps he'll be able to get by the 20 yard line for the Buckeyes. No one else seems to be capable of it.

Who Works The Hardest?

THERE have been a lot of arguments before and there will be a lot more in the future concerning what sports exact the greatest toll in human energy. Some claim boxing is the most gruelling and some would have it running, but while discussing the subject it might not be a bad idea to consider how much punishment a lineman on a grid team is subjected to during the course of a season of play. Or during a single game.

Playing on the line is a tough job, more so than a lot of people give it credit for. Every play the linemen must function if the play is to gain or the opponents are to be stopped without gain. A back gets a slight chance to rest, not much, but enough to allow him to get ready for a chance to carry the ball.

This won't settle anything at all but it may lead some persons to decide that boxers are not the only athletes who have to "take it" for a long period of time and keep on going.

and men prominent in the shipping industry saw the 8,700-ton vessel
slide down the ways.

IRISH EXPECTED TO DEFEAT PITT TEAM

Notre Dame Has Too Much
Speed and Deception for
Sutherland Eleven.

Continued from Page Fourteen
field this weekend. Northwestern
Wisconsin, Washington State and
Kansas may be rated as good or
better than the Irish by Dec. 1.

Washington State, which already
has done enough for one season in
bowling over California and South-
ern California, has a setup in Mon-
tana on Washington's own field at
Pullman and certainly will ad-
vance.

Wisconsin, giving Penn a bad
beating last Saturday, has raised
a growl about facing Purdue but
the Badgers are in good condition
and should come through just as
Northwestern even though hand-
icapped by the terrors of vaca-
tion for small pox, is favored over
Centre college, a non-conference
opponent.

This Kansas team is beginning
to be heard about all over the
country and their fame will soon
get a comparative test with that
of Wisconsin as Kansas journeys
east to meet Penn. Kansas engages
Iowa State this week end and with
the other western standouts is ex-
pected to win.

HITS FARM SYSTEM

By International News Service
CHICAGO, Oct. 23 — A ruling
handed down by Kenesaw M. Lan-
dis, baseball commissioner, today
was interpreted as a slap at the
farm system. Commissioner Lan-
dis' ruling stated that no major
league club could draft a player
from one of its own baseball farms.

British Woman Admires Metropolis of Chicago

LONDON — Chicago has an ar-

of Sir John Simon, the famous
British lawyer and parliamentarian.
"I love Chicago," she told report-
ers on her arrival in London fol-
lowing a lengthy American tour
with her husband. "It is a fine,
well built, happy and healthy city."

Chic French Girls Now Use Red Handkerchiefs

By International News Service
PARIS — One look into the chic
Parisienne's handbag these days
would make anyone believe she
had turned Communist. She is
carrying a neat little square of
brilliant red which one of the
smart handkerchief shops is sell-

TO OBSERVE NAVY DAY HERE

Mayor Jones Issues Proclamation Asking Display of Flags: Legion Plans Event.

Observance of Navy Day, Monday, anniversary of the birthday of late President Theodore Roosevelt, is urged in a proclamation made today by Mayor L. Don Jones. Marionites are asked to display flags on that day.

The American Legion, its auxiliary and all war veterans are urged to attend a meeting Monday night in the legion dugout on South High street for which a

patriotic program has been arranged. Thomas O. Showers, local navy recruiting agent, will give the principal address on the legion program Monday night. He is expected to outline a history of the navy and the important part played in its development by the late President Roosevelt.

Music and other features have been arranged for the program of the meeting.

COLDS MAY DEVELOP INTO PNEUMONIA

Coughs from colds may lead to serious trouble. You can stop them now with Creomulsion, an emulsified creosote that is pleasant to take. Creomulsion is a medical discovery with two-fold action: it soothes and heals the inflamed membranes and inhibits germ growth.

Of all known drugs creosote is recognized by high medical authorities as one of the greatest healing agencies for coughs from colds and bronchial irritations. Creomulsion contains, in addition to creosote, other healing

elements which soothe and heal the inflamed membranes and stop the irritation, while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and checks the growth of the germs. Creomulsion is guaranteed satisfactory in the treatment of coughs from colds, bronchitis and minor forms of bronchial irritations, and is excellent for building up the system after colds or flu. Money refunded if not relieved after taking according to directions. Ask your druggist. (adv.)

2 WOMEN GIVEN 10 DAYS IN JAIL, FINES

Attack on Farmer Near Morral Brings Sentences for Marion Trio.

Fines of \$50 each and sentence of 10 days in the county jail were imposed on Florence McCarty and Leota DeWees, of Garden City pike, when they were found guilty in municipal court yesterday of charges of assault and battery.

Action was brought against them by J. P. Robinson of near Morral, who charges the girls in company with Charles Shepherd, assaulted him when he ordered them off his farm last Sunday night. Robinson was struck over the head in a tussle that followed when the trio refused to leave.

Shepherd Tuesday pleaded guilty to an assault and battery charge and was fined \$50 and committed to 10 days in jail.

Shower Given for Bride at Baptist Guild Meet

PROSPECT, Oct. 23.—The World Wide Guild of the Baptist church met at the home of Miss Geneva Isler Tuesday evening with Blanche E. Penry, assistant hostess. The prayer band was in charge of Geneva Isler. Devotions were in charge of Iva Bumgartner. Elizabeth Beery was chosen Prayer Band leader. A float will be decorated for the Halloween parade. Florence Kirby is in charge of the decorating committee. The program was in charge of Elizabeth Beery assisted by Harriet Beery. A

miscellaneous shower was given for Mrs. Carl Jacobs, a recent bride. Guests were Mrs. Edwin Isler, Ruth Harmon and Opal Graham.

Committee on Programs Named by Waldo P. T.

WALDO, Oct. 23.—The regular meeting of the Parent-Teachers Association was held Tuesday night in the school auditorium. The president, Rev. W. F. Lahr, presided. A program committee consisting of Jesse Clark, Mrs. Harry Shultz and Mrs. Olin Baker was appointed. Mr. Clark gave a talk on home study. Superintendent Copeland gave a talk on health work, attendance and school activities. The group then visited the first and second grade room where the teacher, Miss Smith, is carrying out the "Do and Learn" system of education. The next meeting will be held Nov. 18.

"You have laid the firmest of foundations for success

in using the Ultra Violet Ray in the 'Toasting' of Lucky Strike"

Says

CLEMENT O. MINIGER

Noted industrial leader and philanthropist.
President Electric Auto-lite Company.
Director Willys-Overland Company

"The demand of Americans for the utmost in comfort, convenience and safety has made the Electric Auto-lite standard equipment in many of the finest of American automobiles. In using the Ultra Violet Ray in the 'Toasting' of the LUCKY STRIKE tobaccos you have laid the firmest of foundations for the success of your product. Because you are rendering Americans a service which they appreciate most—the benefit of modern science."

Everyone knows that sunshine mellows—that's why TOASTING includes the use of the Ultra Violet Ray. LUCKY STRIKE—the finest cigarette you ever smoked, made of the finest tobaccos—the Cream of the Crop—THEN—"IT'S TOASTED." Everyone knows that heat purifies and so TOASTING removes harmful irritants that cause throat irritation and coughing. No wonder 20,679 physicians have stated LUCKIES to be less irritating!

"It's toasted"

Your Throat Protection—against irritation—against cough

Consistent with its policy of laying the facts before the public, The American Tobacco Company has invited Mr. Clement O. Miniger to review the reports of the distinguished men who have witnessed LUCKY STRIKE'S famous Toasting Process. The statement of Mr. Miniger appears on this page.

ATTEMPT TO GAIN RESPECT FOR LAW

California Officer To Attempt To Instill Friendship for Police in Children.

By International News Service
LONG BEACH, Calif. (AP)—A friendship between children and police is the chief ambition for the coming year of Chief of Police James S. Yancy, newly elected president of the California Peace Officers' Association.

"One of the first things we shall do is to apply to the International head of the Boy Scout movement to include police work in their list of studies for which Boy Scout merit badges are awarded," Yancy declared.

"If we can foster the grounding of those boys in police work, and instill in them and in other youngsters respect for policemen we will have achieved much."

"We plan to assign officers as

contact men with children, to gain their friendship."

Other crime prevention measures Yancy announced as important parts of his program were the installation of state-wide teletype systems to transmit police bulletins and the securing of better cooperation with all lines, since modern criminals often rely on air transportation for their escape.

Yancy also advocates compulsory target practice for policemen.

"Many police today are actually liars to the public when they start to fire their guns," the new police head declared. "One department went on the target range and out of 104 men firing, 15 men actually failed to touch the target in 10 shots."

ENTERTAIN GUESTS

Delaware and Columbus Women Attend Gallon Club Meeting.

GALLON, Oct. 23.—Mrs. R. C. Case of Delaware and Miss Elizabeth Hetherington of Columbus were guests of the Golden Arrow club when it met Wednesday afternoon at the home of Mrs. Elmer Berry of South Columbus street. Mrs. Otto Ricker of Marion was an out-of-town member present. The afternoon was spent with embroidery work. At 6:30 the hostess served a luncheon. The club will hold a turkey dinner next Wednesday afternoon at the Wingert farm west of the city.

Halloween decorations prevailed throughout the home of Mrs. Harry Henry of Fairview avenue when she entertained the members of the Jolly Stitches. Several contests were held with prizes awarded to Mrs. Merle Wheatcraft, Mrs. Walter Mason, Mrs. Jones Rettig and Mrs. Peter Rettig. Mrs. Henry served a lovely repast with appointments in a Halloween color scheme. The club will meet next with Mrs. Howard Neal.

Three tables were arranged for cards when club associates of Mrs. J. V. Motsch met at her home Wednesday night. Mrs. R. E. Stewart and Mrs. U. E. Campbell were guests of the club. Luncheon was served by the hostess.

The Glee club of Mrs. Eleanor Morgan Townsend enjoyed a Halloween party last night at the home of Mrs. Paul Rorick of Sherman street. Guests were masked and during the evening bingo was played with several prizes awarded. The hostess served a luncheon with appointments in keeping with the Halloween season.

Members of the Trinity Lutheran Ladies' Aid and Missionary society held an all day quilting Wednesday at the William Nungesser home west of the city.

Red Pimples Disfigured Face Awfully. Healed by Cuticura

"Pimples were scattered all over my face and disfigured it awfully. They were hard and red and scaled over. The pimples itched and burned terribly, and when I scratched them they would break and remain very red. The trouble lasted about a year. I read an advertisement for Cuticura Soap and Ointment and sent for a free sample. After using it I purchased more, and in about a month the pimples were completely healed." RICHMAN BROTHERS

BLUE OVERCOATS

are more popular than ever this year

Navy blue... blue-black... blue mixture cloths, when made of fine wool and indigo dyed, are not only stylish but very serviceable. Our blue meltons, blue kerseys, blue fancy mixtures and Scotch tweeds are the most remarkable values the world has seen since pre-war days.

We recommend them to men and young men... to men of every size, for we manufacture them for the youth of 16 as well as for tall, slim men, for stout men of 50 inch chest, and for very short men. There are few men we cannot fit perfectly without an alteration... for those few, alterations are made speedily and without charge.

Our assortment of overcoats in Oxford grays, medium and dark shades of gray, tans and beautiful mixtures is just the same as in the blue overcoats... the values for the money are beyond words... it is needless to say what the same quality sells for elsewhere, or to make comparisons.

Our business has not been built upon words or advertisements, but upon the merit of our clothes, and upon the way we've done business for 51 years. We've made clothing in Cleveland since 1879.. They're sold direct to our customers who save the middleman's profit... we stand back of every garment with a guarantee to please you or to refund your money with no "ifs", "ands" or "buts".

ANY BUSINESS SUIT, TOPCOAT, OVERCOAT OR DRESS SUIT IN EVERY RICHMAN BROTHERS STORE IN THE U. S. IS ALWAYS THE SAME PRICE

ALL \$22.50

Deep-pile camel hair overcoats are just \$22.50... ours are made of the actual hair of the camel from Asia... there are many imitations of cotton and what-not to fit a price. Before paying a very high price for a camel hair or fur coat, we request that you inspect this Richman Brothers' achievement of 1930.

SECTION OF STREET TO OPEN TONIGHT

Main Street Paving from Church to Center To Be in Use Today.

Plans were made to reopen Main street from Center street to Church street tonight, a day ahead of schedule, as contractors made every effort to rush the work to completion.

The second and final application of asphalt was begun yesterday morning, and had progressed so rapidly today that finishing touches were being made at noon. Debris will be cleared from the street this afternoon, and it will probably be open by 6 p. m. today.

The second coat of asphalt is of fine texture, and is a surface treatment of the coarse binder which was applied earlier this week. The final coat of asphalt is an inch and a half thick.

Binder was being applied to the section of Main street from Church street to Columbia street this morning. This section will also be reopened to traffic by Monday night, barring unforeseen delays.

Meantime, the general contract for the resurfacing of Main street from George street to Columbia street, were pouring concrete on the east side of Main street from Center street north today. The concrete will become the base for a six-foot brick parking strip, which will be built along both sides of the street.

Work from Center street north will progress rapidly, as contractors are not obliged to remove street car rails as was necessary in South Main street.

Poles which will support "white way" street lights along Main street have been erected at 100-foot intervals along both sides of the section of Main street to be improved.

These lights will be in operation by the time the street is ready for official reopening and dedication about Nov. 15, the C. D. & M. Electric Co. has assured Main street merchants.

Asphalt work on Main street is being done by the H. B. Strecher Co. of Toledo, holding a sub-contract under the Drake firm. The Toledo company has applied asphalt on three streets included in the 1936 resurfacing program of the city. Two of the three jobs, Silver street from the Hocking Valley railroad to the corporation line, and Prospect street, from Mark street to the Erie railroad tracks, have already been completed.

LOCAL SCHOOL COST AMONG OHIO'S LOW

tion through which it can raise additional income if the renewal of the levy is not provided, the superintendent points out.

There was a time when boards of education might postpone the day of reckoning by going in debt for the purpose of operation. This procedure is no longer legal and it should not be allowed even if it were legal, Bowman says.

No Other Aid
The only state aid which is available to city school districts is now being received by the Marion schools and it cannot be increased. While the state does distribute some funds to aid weak school districts, there is no provision in the laws which permits any of this money to be given to school districts like ours.

"The board of education will have only two alternatives in case the renewal of the levy is not approved by the voters. One of these will be the shortening of the school term from nine months to six or seven months. The other will be the lowering of the standards and the lessening of the efficiency of the organization.

"This community will have the kind of schools it wants and it is the opinion of the board of education that it does not want a less broad and efficient school program than it now has," Bowman declared.

Records of the board of education show an increase in average attendance in the public schools of more than 500 in the last five years and of more than 1,000 in the last 10 years. The current school year has begun with a total enrollment slightly in excess of 6,300 boys and girls which represents an increase of about 700 over the corresponding month five years ago.

While income from taxes, including the three-mill levy, provides only \$68 per pupil as compared to a necessary \$88, the extra \$20 has become available from other sources, including depository interest, tuition from other districts, receipts from the sale of text books, state aid for vocational education and state aid for the crippled children's school. This form of income totalled for the school year 1934-35 was \$58,300.08.

COMMUNITY CLUB MEETS

A talk on the removal of the lines mill levy and what it will mean to the public school system was given by George A. Bowman, superintendent of schools in a talk Tuesday night before the North State Street Community club.

James M. Fisher, director of the Lee Street Presbyterian church led the devotionals. A short business meeting was held followed by readings by Mrs. Levensinger and musical numbers by Miss Clara Lee, violinist and Miss Melvina Summers, pianist. Rev. Fisher presided over the benediction. A social hour was held and light refreshments served.

MAIN STREET PLANS FORMED

Dedication Committee Outlines Tentative Program for Nov. 15 Event.

Plans for a gala dedication and celebration of the reopening of Main street about Nov. 15 were rapidly taking form today as various committees appointed to arrange for the event began to function.

Appointment of a committee of organization and plans, recommended when the general committee met last night with Earl Smart, chairman of the general committee, was accomplished last night.

George Kleinmaier, general chairman, was named chairman of the new committee, which is largely composed of committee chairmen. It included Earl Smart, S. H. DeLong, W. L. Stump, Jim Dugan, Wendell Wiant, Wilfred Schaffner, Z. Stout, Howard Mapes and S. G. Rosenberg.

This committee will outline a program in a general way and make recommendations to the various committees, which will carry out the plans. The first meeting was held this morning at the Marion Savings bank.

Plans under discussion now call for several bands to take part in an evening celebration, and possibly an afternoon band concert preceding the festivities. Contests will include bicycle races, roller skate races and other athletic events.

Another proposed plan is to fill vacant store rooms with Marion-made exhibits showing products made in Marion.

A cooperation committee in charge of Jim Dugan, chairman and Howard Mapes, vice chairman, was to meet this afternoon with Earl Smart, chairman of the general committee, to outline plans to obtain the cooperation of the 175 business and professional men along Main street.

Another proposed plan is to fill vacant store rooms with Marion-made exhibits showing products made in Marion.

A cooperation committee in charge of Jim Dugan, chairman and Howard Mapes, vice chairman, was to meet this afternoon with Earl Smart, chairman of the general committee, to outline plans to obtain the cooperation of the 175 business and professional men along Main street.

Plans under discussion now call for several bands to take part in an evening celebration, and possibly an afternoon band concert preceding the festivities. Contests will include bicycle races, roller skate races and other athletic events.

DR. BURGIN, English member of parliament, has inspected here and doesn't care for us. Says he: "No country in the world is as hard on their unfortunate and poor as the so-called prosperous continent of America."

And, says he we don't save, have no thrift or foresight, and our "poor law savors of Prussianism." Anyhow, we have 25 million automobiles running, and more bath-tubs in one American city than there are in the whole British Empire.

Let us not be downhearted.

A LEAGUE OF NATIONS report shows that practically all the world's illicit drug trade is centered on the United States, financed here to the tune of millions, and has giganticly increased since prohibition came in. It is easier to hide a few ounces of cocaine or morphine than to hide a keg of beer. And a small package of drugs can do more harm than 1,000,000 kegs of beer.

THE GANGSTER politicians and politician gangsters of New York "take things as they come."

Mr. Kresel, investigating condi-

tions on behalf of the high court finds a \$1,000,000 vice ring working the courts of New York City. The important part of their work is frightening and blackmailing women.

Long ago they taxed the light district, now they attack individuals.

WILL ASK INDUSTRY TO AID UNEMPLOYED

Col. Woods, Relief Director, To Issue Formal Request for Cooperation.

By The Associated Press
WASHINGTON, Oct. 23—A request to American industry to cooperate in the alleviation of suffering among unemployed this winter was sounded today by Colonel Arthur Woods, President Hoover's relief director, after a conference at the White House.

Colonel Woods, who arrived here last night to take charge of setting up a relief organization, conferred for an hour with the President, Secretary Lamont, Secretary Hueley, and Under-Secretary Mearns of the treasury.

After the conference Woods indicated a formal request to industry to cooperate in giving as many jobs as possible would be made soon.

Insurgents Claim Bahia Joins Rebel Movement

By The Associated Press
CURITIBA, Parana, Brazil, Oct. 23—The Brazilian revolutionary movement was inspired today that the nineteenth battalion of Chas-seurs, stationed at Timbo, state of Bahia, had revolted and joined the insurgent movement.

Timbo is a railroad center about 100 miles away from Bahia, the largest city of Brazil, and the insurgent advisers claimed that the federal defense opened up the way for their advance directly into Bahia on the railroad line between the two cities.
